

WEIGHT BUILDER™

Premium Concentrated Feed Supplement

Traditionally, horses needing more calories for increased stamina were fed more grain. Adding calories from fats will provide a much better way to increase the energy density of a feeding program. Calories from fats may also be more appropriate for horses performing certain types of exercise or for weight management.

Recently, researchers have discovered the benefits of adding fat to horses' diets:

- Maintains body weight.
- Provides for healthy skin, coat and overall body condition.
- Easily metabolized.
- More calories than equal weights of grain. Less volume needs to be fed.

UNIQUE FORMULA OF WEIGHT BUILDER™:

- Contains 40% fat.
- Rich in omega-3 fatty acids.
- Has added calcium to help maintain calcium/phosphorus ratio.

FOR USE IN HORSES ONLY.

GUARANTEED ANALYSIS

Per 2 oz Serving

Crude Protein (min).....	14.0%
Crude Fat (min).....	40.0%
Omega 3 Fatty Acids (min)	3.0%
Crude Fiber (max).....	7.0%
Calcium (min).....	0.8%
Calcium (max)	1.2%
Phosphorus (min).....	0.5%

INGREDIENT STATEMENT

Dehydrated maize distiller's grains with solubles, heat stabilized flax meal, calcium carbonate, partially hydrogenated vegetable fat, propionic acid (preservative), mixed tocopherols (preservative), BHT (preservative), BHA (preservative), artificial flavor.

FEEDING DIRECTIONS

Enclosed scoop holds 2 ounces.

- For skin and coat, feed one scoop (2 oz) daily with regular grain ration.
- For added calories, feed 2 scoops (4 oz) daily with regular grain ration.

Depending on a horse's activity level and condition, up to 8 oz of Weight Builder™ supplement may be fed with no adverse effects.

UNCONDITIONAL GUARANTEE:

If you are not completely satisfied after feeding Weight Builder™ Supplement for 30 days according to label directions, return the unused portion along with your store receipt and a letter expressing your dissatisfaction for a full refund.

FOR ANIMAL USE ONLY

CAUTION: KEEP OUT OF REACH OF CHILDREN
STORE IN COOL, DRY PLACE IN THE SEALED BUCKET
